

Dutch laws & regulations with regard to coach/support vessels

- The maximum speed allowed on the Sneekermeer and surrounding lakes and canals is 9 km/h. Vessels from the Royal Yacht Club Sneek have a permit to exceed the maximum speed. However, coach/support vessels are excluded and therefore the maximum speed allowed is 9 km/h.
- When the maximum speed of a coach/support vessel can exceed 20 km/h, the vessel should have a legal registration certificate on board. In addition, the coach/support vessel driver should have a valid boating license on board.
- Coach/support vessel drivers and crews shall wear adequate personal flotation devices securely fastened at all times when afloat. Wet suits and dry suits do not constitute as adequate personal buoyancy.
- When the coach/support boat engine is running coach/support boat drivers shall be connected by a kill cord to a device that will stop the engine if the boat driver falls out the boat or is otherwise not in control of the boat.
- While driving a boat, the boat driver and crew shall remain seated in the boat.
- All coach/support vessels are required to have a fire extinguisher in the boat.
- It is not allowed to hinder other boats.

Fuel stations coach/support vessels

There are no facilities on the Starteiland or around the Sneekermeer to buy fuel for coach/support vessels. The Royal Yacht Club Sneek only has fuel for their own vessels. The Royal Yacht Club Sneek does not sell and/or supply fuel to support/coach vessels. Support/coach vessels can buy fuel in the city of Sneek.
